The Commission has reviewed your complaint and determined that no further Commission action is warranted. You may wish to seek private counsel.

Very truly yours,

My dispute is with the deliberate corruption and lack of regulation in this City that allows Lawyers, the Disciplinary Committee and the Surrogate Court to facilitate estate theft. A dispute with my sisters was NOT the issue. Facts proving truth of my statement are located at <http://www.legal-disclosure.com> Reform the Regulators.

Intelligent and honest attention to this response to your letter is appreciated.

Be Eternally Well,
